

MERA AAPKI KRIPA SE

Meraa aapki kripaa se sab kaam ho rahaai hai
By Your Grace, all my work is progressing
Karte ho tum Kanhaiyaa x2 Meraa naam ho rahaai hai
You are truly the one who does, but I am getting the name

Patwaar ke binaa hi, meri naav chal rahi hai
Without a rudder my boat is still moving along
Bin maange he Kanhaiyaa, har cheez mil rahi hai
Without my asking Kanhaiyaa, I get everything
Ab kyaa bataaun Mohan, aaraam ho rahaai hai
What can I say Mohan, I am so much at ease

Meri zindagi mein tum ho, kis baat ki kamii hai
With You in my life, what can be lacking?
Mujhe aur ab kisi ki, parwaaha bhi nahi hai
Now I don't need to be concerned about anyone else
Terii badaulaton se, sab kaam ho rahaai hai
It is through You that all my work is progressing

Duniyaan mein honge laakhon, tere jaisaa kaun hogaa
There may be millions in this world, but who is like You?
Tujh jaisaa bandaa parwar, bhalaa aisaa kaun hogaa
A Lord and Master like You, who better can there be?
Thaamaa hai teraa daaman, aaraam ho rahaai hai
I have caught hold of You and such comfort is setting in
